A society must answer the questions set out in either Section 7A or Section 7B of this form, depending on which condition of registration it meets.

<https://www.fca.org.uk/publication/finalised-guidance/fg15-12.pdf>

Section 7A - Co-operative societies

Co-operative societies must answer the following questions in relation to the financial year covered by this return.

7A.1 What is the business of the society? For example, did you provide housing, manufacture goods, develop IT systems etc.

7A.2 Please describe the members' common economic, social and cultural needs and aspirations. In answering this question, please make sure it is clear what needs and aspirations members had in common.

7A.3 How did the society's business meet those needs and aspirations?

You have described the society's business answer to question 7A.1, and in question 7A.2 you have described the common needs and aspirations of members. Please now describe how during the year that business met those common needs and aspirations.

7A.4 How did members democratically control the society? For example, did the members elect a board at an annual general meeting; did all members collectively run the society.

7A.5 What did the society do with any surplus or profit? For instance, did you pay a dividend to members (and if so, on what basis); did money get reinvested in the business; put into reserves; used for some other purpose?

Section 7B - Community benefit societies

Community benefit societies must answer the following questions in relation to the financial year covered by this return.

7B.1 What is the business of the society? For example, did you provide social housing, run an amateur sports club etc.

We provide a general store to the community of Grampound-with-Creed in Cornwall. We are the only such facility in the village or immediate environs.

7B.2 Please describe the benefits to the community the society delivered? Here we are looking to see *what* the benefits to the community were. Community can be said to be the community at large. For example, did you relieve poverty or homelessness through the provision of social housing.

The community served is the village and rural area of Grampound in Cornwall to which we:

Provide an outlet for daily food necessities, newspapers etc.

Provide a meeting place in our Coffee Shop.

Host an outreach Post Office Service two mornings a week

Provide an NHS prescription collection service for the surgery which is two miles distant.

7B.3 Please describe how the society's business delivered these benefits? The business of the society must be conducted for the benefit of the community. Please describe *how* the society's business (as described in answer to question 7B.1) provided benefit to the community.

The Society is:

Providing an outlet for daily food necessities, newspapers etc; residents would otherwise have to use (limited) public transport or private vehicles to access such services.

Providing a meeting place in our Coffee Shop.

Hosting an outreach Post Office Service two mornings a week.

Providing an NHS prescription collection service.

In exceptional circumstances, the society delivers to customers.

7B.4 Did the society work with a specific community, and if so, please describe it here? For instance, were the society's activities confined to a specific location; or to a specific group of people? Please note that in serving the needs of any defined community, the society should not inhibit the benefit to the community at large.

Grampound is a village in mid-Cornwall with a population of about 700. It has some bus services linking it to the local town of St Austell and the City of Truro, both of which are about 7 miles distant. The service is infrequent. The village has a higher-than-average number of single-person households and a higher-than-average number of people aged 65 or over. It is essentially a rural area.

7B.5 What did the society do with any surplus or profit? For instance, did you donate the money; did money get reinvested in the business; put into reserves; used for some other purpose?

Invest to improve the facilities. Improvements to the Coffee Shop were made two years ago and a permanent indoor linkage between the store and the coffee shop was then provided. Facilities for the PO service were greatly improved. More recently we have installed solar panels and improved the external decking area with new furniture etc.

7B.6 Please state any significant commercial arrangements that the society has, or had, with any other organisation that could create, or be perceived as creating, a conflict of interest. Please tell us how you ensured that any such conflict of interest did not prevent the society from acting for the benefit of the community.
